Each year as part of its 'Adopt-a--Class' program, DYG gives donations to Dunedin classroom teachers to cover things that are needed for the implementation of classroom activities for your students.

During the 2022-23 school year, these donations are set at **\$250 per classroom for two classrooms per school.**

Adopt-a-Class funds are generally awarded during the time-frame of September - April. Please check with your administrator or school bookkeeper about the status of Adopt-a-Class funds that have been distributed to your school. If your school has already received two fundings, please consider using one of Dunedin Youth Guild's other financial request methods.
